Freshman

At the beginning of the year seventy-six students registered making up the Freshman class.

The first two weeks of school the Freshman seemed lost and dumbfounded but after clinging on to a mighty Senior they soon learned the ways of the halls and their classes.

Throughout the year, the Freshman served for football and basketball concessions. They were busy in their P.E. classes with varied activities.

Now that this year is over, they are ready to move on.

Sophomores Stumble On!

The Sophomores had a busy year getting ready for Homecoming, although they had a problem with strong winds, which kept them from entering the parade. Their float was "Warriors cut their way to victory." From Rapunzel. Sophomores had a sock hop, bake sale, car wash and concessions at athletic activities. The money that came from these activities are going to be used for the 1979 Prom and 1980 Graduation. Sophomores are all ready and willing to become the Juniors of 79, and having a fun active year.

Varsity Puts It Altogether!

New cheers, chants, and routines were added to the cheerleading squads. Three Varsity cheerleaders supported themselves to a summer cheerleading camp bring back the new techniques.

The Varsity practiced long and hard to learn the new cheering methods for the hope of looking "professional" during the season and also to teach the cheers to the other squads. They also made cookies and punch for the football players before a game and made signs for spirit.

The cheerleaders had a bake sale and sold cushions to raise money during the football season. During Homecoming week they made a float for the parade.

An outside Pep Rally was held by the cheerleaders and they lead the Burning of the B.C. after Coronation.

On August 26, 1977 nine students attended the first cross country meeting of the year. Miss Sazama, the first year coach, called the meeting. The following day the determined long winded runners headed out on the road. They were trailed by Miss Sazama who road her 10-speed bicycle.

Guy Kriz, Denise Greenough, Katie Blare, and Tobi Buckingham raced on to the Regional meet held in Custer S.D. Guy, Denise, and Katie also crossed the State's finish line. The State meet was held in Brookings S.D.

This year cross country was ran on an individual basis. The girls, however, participated as a team at Holy Rosary, and brought home the 1st place plaque.

Miss Sazama tried to get a cross country meet going at Bennett County. Unfortunately the meet could not get under way. Determined youngsters from the grade school ran across town and out of town to train for high school competition. There were six 7th graders and one 5th grader.

All in all the cross country team had a good year. BCHS is proud to have had these willing cross country members. We get an even better feeling knowing that many of these determined athletes will be back for another try next year.

Tobi Buckingham, Denise Greenough, and Katie Blare are enjoying the first place plaque they won at Holy Rosary.

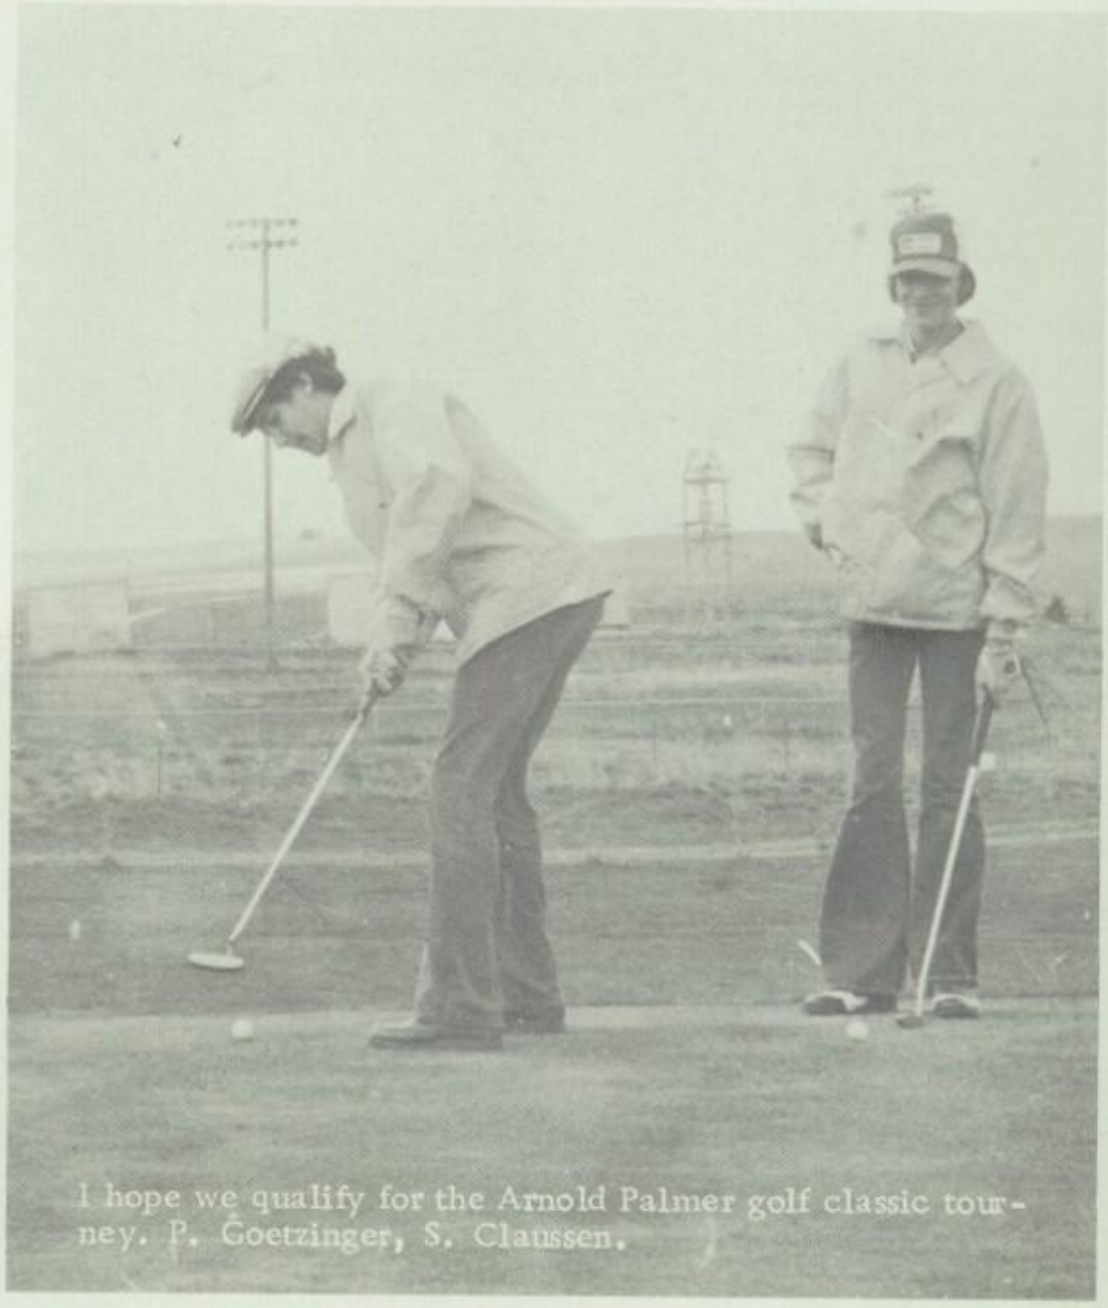
Give Me That Golf Gusto!

If you should be sitting in the Markota Lounge and a golf ball comes flying through the window, chances are it was probably hit by an irate golfer from BCHS.

Pat Goetzinger, Doug Harris, and Jim Shepardson are the three returning lettermen this year.

April 27, 1978 a golf match was held at Martin. Jim Shepardson was named medalist of this dual match with 47. Pat Goetzinger had a 48 and Doug Harris a 55. The Warriors defeated the Gordon Broncos 200-221 in this match. Terri Willard was the team's glamor this year being the only girl. At the Region 4 Golf Meet, Jim Shepardson placed 3rd and Pat Goetzinger 8th to qualify for state.

Hey Pat, did you see that fantastic putt! J. Shepardson, P. Goetzinger.



I hope we qualify for the Arnold Palmer golf classic tourney. P. Goetzinger, S. Claussen.

F.H.A.-HERO

Getting It Together

This year the local F.H.A. chapter sported eighteen members. Eleven of these also joined the State F.H.A. chapter. Eight meetings were held during the academic year in the Home Ec. room at noon.

F.H.A. raised money on dues and washing all the athletic uniforms during the year. Dues this year were fifty cents for local and one dollar for state. They used the money they raised on a Senior Citizens Pancake Breakfast and Secret Pals. They also held a Daddy Date Nite and a Mothers Tea for their parents.

This year four members attended the State F.H.A. meeting in Huron with Miss Libby Hatton, and three attended the Regional meeting in Newell. Mary Kay Hicks was elected co-chairman of Region IX and they were also in a skit.

F.H.A. is looking forward to next year. They hope to up the membership and be alot more active.

FFA Continues To Grow

The FFA must have a green thumb if they can grow from nineteen members to thirty in a time span of five months. Mr. Ed Dodson began the year with the FFA. Fruit sales plus funds from the B.O.S.D.C. raised enough money to build new bleachers for the BCHS football field. Due to medical reasons, Mr. Dodson was unable to finish the school year, so Mr. William Gleason accepted the position as sponsor in February.

FFA highlights consisted of the Anniversary Banquet, State Convention and the Brookings judging contest. May 7, 1978 at the Anniversary Banquet, Mr. William Gleason, Vo-ag teacher and FFA advisor, gave a short talk in which he explained the relationship between FFA and agri-business education. Mark Novotny, FFA Chapter President, presented awards. Mark Novotny also held the highest state position as State Farmer. Honorary Chapter Farmer went to Mrs. R'Lou Pisha and Mr. Larry Novotny. Jim Good was awarded Star Green Hand and Mark Novotny was Star Chapter Farmer. David Novotny and Richard Toczek served as delegates to the State Convention.

The Brookings judging contest brought awards to many FFA members. Jody Lenton received a Silver Individual certificate in Mechanical Agriculture, Bob Fuchs a Silver Individual Certificate in Meats and Barry Bettelyoun a Bronze Individual certificate in Meats. As a team, Bob Fuchs, Ron Farley and David Novotny received a Bronze Team certificate in Meats.

Mr. Gleason has hopes of increasing individual project work for the 1978-79 BCHS school term.

When Declam Talks People Listen

This year's Declam was a very good year with eleven members. Mrs. Lucy Hughes was once again the sponsor, this having been her third year as sponsor.

The Declam students were to go to Vermillion S. D. for a workshop but there weren't any dorm rooms available.

In October ten members attended a workshop at Spearfish, S. D., in which Zandra Zieman and Robin Speidel advanced into the final round.

On October 26 the local Declam contest was held. Seven of the members participated in the District contest at Kadoka. Overall the team ranked third in the tournament.

On October 31 the Declam students were to attend school in Halloween costumes. This was to give Declam more recognition; unfortunately Zandra Zieman was the only one who dressed up.

Several Declam meetings were held throughout the year. This concluded the year for Declam.

To indure the struggle of preparation,
for the upcoming task of competition,
is the most glorious struggle of all.

To explode the intermost partical
of the human mind and body,
makes even the smallest look tall.

To caress the pains of being number one
excellerates the fight of winning
none of which is known by number two

To experience the thrill of victory
with the mind of open glory
eases the agony of defeat
a feeling we all once knew.

Annual Staff Busy Writing

In August, 1977, Mrs. Vicky Stanec began the task of teaching twenty-one students how to write like good journalists should. For the first few weeks the whole class studied and wrote different types of articles. After that they were assigned articles for the Warriors Echo. Annual pages were also decided and divided. Then the real work began.

Damon Milner, a representative from Jostens, Mrs. Stanec, the dutiful sponser, and Wanda Pauly, the Editor, taught all of the students how to prepare annual pages. That is, without trapped white spaces!

Annual Staff served concessions with a bake sale once this year, sold annuals, advertisements, and ended the year with a successful budget.

It took awhile to get all the pages compiled, but we think we did a good job. We hope you like it.

Gee, I hope Mrs. Staec doesn't walk in! Annual Staff-just goofing around.

"This is an experience I'll never forget and I met 122 of the warmest people I've ever known. Hugh O'Brian is a very warm and loving human being!" This was Cindy Pyle's comment upon her return from a fun-filled and interesting trip to New York City.

Cindy, a sophomore and daughter of Mr. and Mrs. Dale Pyle, earned this well-deserved trip when she was picked as one of the two ambassadors for South Dakota to the Hugh O'Brian Youth Leadership seminar.

She left by plane from Rapid City Saturday, April 15, at 7:20 a. m. The plane stopped at Denver where four other young students who were also going to New York City for the seminar joined Cindy. One was from Nebraska, two from Colorado and the fourth from New Mexico. Then all of them flew to John F. Kennedy Airport in New York City.

From the moment. Cindy and the group went sight-seeing, to seminars where they talked to various national leaders, and also went on several tours. Included were the IBM plant, NBC television studios where they saw the sets for "Saturday Night Live," and the group also met John Chanceller.

Other interesting points visited were the Metropolitan Museum of Art and the United Nations. They also had lunch on the Staten Island ferry which cruised around the Statue of Liberty.

Cindy's most exciting moment was when she presented a foundation windbreaker to Rod Gilbert of the New York Rangers hockey team, with a kiss! Besides meeting Gilbert and Chanceller, she also met Muhammad Ali and Carol Bellamy, who is the first woman to ever be president of a city council in New York.

Cindy favored most the Metropolitan Museum of Art. (Article by Merry Johnson)

Getting Ready For The Big Step

Juniors started the 1977-1978 year with a big working year ahead of them. For Homecoming they got the grand prize for their float, which was the "Three Little Pigs". The Juniors have worked hard this year in concession and earning for the 1978 Prom. Juniors worked hard on Prom during Prom week and they felt it was worth while. The Juniors ended the year by thinking they had one year left.

Class Of "78"

The 51st graduating class of B.C.H.S. is the class of 1978!

The word ''disappointment'', describes most of the Seniors feelings for the year of 1978. Some of the disappointments were as follows: they were unable to sell magazines; they were unable to attend the trip to Pierre for government class.

The Seniors received 3rd place for the homecoming float. The Seniors made $300 for selling concessions and they also made $135 by putting on a bake sale.

The reasons the Seniors worked so hard in making money was to help them graduate.

Stepping In On Coronation

Walking down the aisle as everyone flashed their cameras the Royalty paced their way to the stage. The princess were then seated by their escorts.

As Big Chief Steve Pisha stood waiting patiently to crown the Homecoming Queen, Medicine Man Dennis Pauly danced mysteriously before lifting Merry Johnson.

Laurie Jacobs accompanied Kenny Sargent, Robert Wechsler, Heidi Hamernik, Karen Dekay, Deb Johnson, Teresa Hein, Rick Nelson, and Dallas Thompson on the piano while they sang "Indian Love Call." Past royalty were introduced then coronation was over for another year.

The royalty was taken over to the "Burning of the BC" where the cheerleaders were yelling; the band was playing and the football boys and crowd got psyched up for the big game.

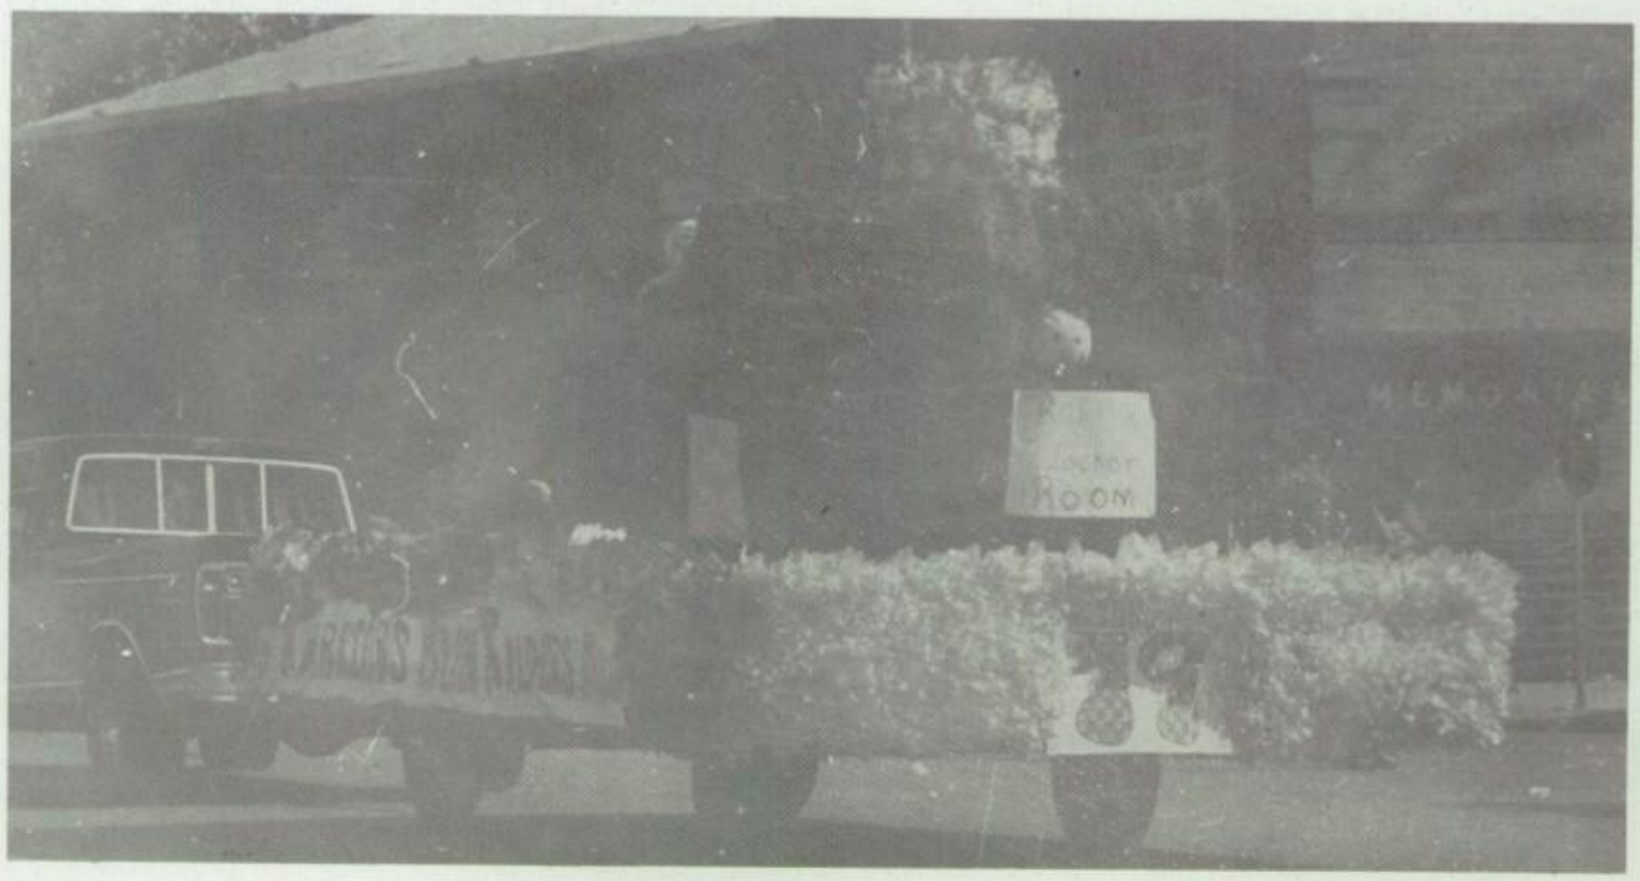
Once again the Bennett County High School marching band trots down main street in the homecoming parade.

What a blustry, blustry day, it was when the judges picked the winning float for the parade. Unfortunately the Juniors defeated the Seniors for the Grand Prize with their Fairy Tale float "Three Little Pigs". Although it was a windy day and most of the floats were destroyed by the wind, Sophomore placed 2nd, Seniors 3rd, and Freshman, 4th.



"Sometimes When We Touch"

''Sometimes When We Touch'' was the prom theme. The gym was decorated in blue and silver. The extra art work was constructed by Holly Hammernik, and Nancy Strain.

The junior's worked very hard on the prom banquet and dance floor. They put in time after school till late hours on school nights and it showed. Ms. Low, Mrs. Huges, Mr. Zieman and Miss Kemp were the junior advisers who put in their time and patience during that week helping the juniors.

The banquet started at 7:00 p.m. on April 22, 1978. The menu consisted of swiss steak, corn, baked potato, tossed salad, buns, punch, and tomato juice with sherbert, and waffer for dessert. The servers were Tina Risse, Delmarie Tocezk, Mary Kay Hicks, Janelle Proch, Lisa Novotny, Dana Heath, Monty Blare, Scott Boomer, Scott Ireland, Bertt May, Mark Nelson, and Brad Pisha.

Toastmasters were Doug Harris and Rick Nelson. They roasted the seniors and it was very successful. The facility and students really enjoyed it.

Teresa Hein and Shelly Porch sang ''Sometimes when we Touch'' while Robert Wechsler and Holly Hammernik accompanied them on the guitar and piano.

The dance started at 9:00 p.m. with music by ''Elassar''. After the students got started dancing everyone had a great time. At 11:30 Kathy Fralick and Randy Nelson were announced 1978 Prom King and Queen. The royality danced to the theme song ending the 1978 Junior and Senior Prom.

Walk this way with memories,
of days that went before.
This day is changing ways and lives,
by opening up a door.

The door is to your future,
the way is marked by time.
Don't look back,
keep running strong-
Reach your destinys.

The world is yours to conquer,
so come and
"Walk this way." KLD

In Memory of...

Jack Arthur Bradford, who died on, April 18, 1977.

The Jack Bradford Memorial, donated a scoreboard to use in the American Legion auditorium. The scoreboard can be used for both basketball and wrestling.

Jack died from a motor vehicle accident as he was riding his bicycle three and one-half miles south of Martin.
